What our customers say

" Whole process so easy whilst trying to arrange a funeral"

"Hi, I just wanted to pass on our most sincere thanks for all of your help and the wonderful food yesterday.

Everyone commented on the quality and presentation of the food and there was **exactly** the right amount. There was one little plate left at the end of the night, so no wastage, but no one was looking for any more.

Also you made the whole process so easy, just being able to ring up and give you a vague idea of what we wanted and then you made it all happen was amazing and exactly what we needed whilst trying to arrange a funeral.

Kudos also to the cooks and to the poor delivery man who had a terrible time trying to find the church and then getting up into the apartment, all in the torrential rain we had yesterday.

So once again, thank you so much. " Lauren July 2014

"Hi Natalie, Sorry this is belated- I have been meaning to email you for the past week!!

Just wanted to let you know how happy we were with the catering you provided for us back on the 5th of December for our staff training , everyone commented on how lovely everything was."

Nimali—December 2014

" Very impressed with the Gluten free products"

"Dear Natalie,

Just letting you know that Sunday's party went well. We were very pleased with the quality of the food and had excellent feedback from our guests. The Risotto balls, frittata and mini mushrooms went in seconds (should have ordered more of those!) People also found room for the assortment of sweet pastries. Thank you (and your team) for your wonderful service in preparation and delivering and willingness to re-work the original quote."

Regards,

Rachel and Sean

P.S. "I forgot to say that Sean was very impressed with the Gluten free products as well!"
